## “That Plastics Guy” –

### Now an Industry Leading Podcast!

We’re proud to announce that “That Plastics Guy”, the podcast created by the president of Simcoe Plastics – Kurt Stahle, has been recognized as a top-rated plastics industry podcast by Feedspot!

This acknowledgement reflects our commitment to delivering insightful and engaging content on the latest trends, innovations, and sustainability efforts in this dynamic industry.

“That Plastics Guy” has also gained the attention of Canadian Plastics Magazine. Their recent article on our podcast emphasizes Kurt’s deep industry knowledge and the impressive reach of “That Plastics Guy”, which has garnered listeners worldwide.

Thank you to our listeners for making this possible – stay tuned for more exciting episodes!

## Recent Guests Featured on "That Plastics Guy"

Recent guests on "That Plastics Guy" included Bill Hartwick - owner of Filter Specialties Inc. and Mark Stephen - editor of Candian Plastics Magazine.

Bill Hartwick joins Kurt to discuss VFDs (servo drives) and how they bring significant savings to plastics processing equipment of any vintage.

Tune into an insightful interview with Mark Stephen as he shares his career experiences, how he got involved with the publication, and the changes and trends he sees in publishing.

## Simcoe Plastics Ltd Partners with ECoRrect PVT. Ltd. *For a North American Distribution Agreement*

Simcoe Plastics Ltd. is thrilled to announce an exclusive distribution agreement with ECoRrect PVT. Ltd., a pioneer in sustainable plastic alternatives.

This partnership grants Simcoe Plastics exclusive rights to distribute ECoRrect's innovative water-soluble thermoplastic resin across North America.

ECoRrect's award-winning resin, known for its eco-friendly properties, exceptional performance, & ease of processing, will now be more accessible to North American customers through Simcoe Plastics' extensive distribution network.

The agreement, effective from May 2024, promises to deliver a wide range of sustainable plastic solutions initially to the film and packaging sector, while simultaneously expanding the production footprint to Canada for greater responsiveness to projected demand.

For more information on this exciting partnership and the availability of ECoRrect's products, contact us at [info@simcoeplastics.com](mailto:info@simcoeplastics.com) or visit our website. The owner & founder of ECoRrect, Bindi Patel, has also been a two-time guest on our podcast. Tune into those episodes for more details!

Redesigned with YOU in Mind –

## Explore Simcoe Plastics' Newly Revamped Website!

Have you visited our website lately? Simcoe Plastics is happy to share its newly redesigned website, marking a significant step forward in providing customers with a more intuitive, informative, & user-friendly experience.

The new site has been thoughtfully reimagined with you in mind, offering a fresh look and improved functionality to better serve the needs of our clients & partners.

The revamped website features a modern design that reflects the innovation and quality that Simcoe Plastics is known for. Visitors will find a streamlined navigation system that makes it easier to access the information they need, whether they're looking for detailed product specifications or latest news at Simcoe Plastics.
